- 1.6 **Purchase Order Form** - A KDDI ordering document, which sets forth Buyer's specific requirements for Product(s) and which is executed by Buyer and accepted in writing by KDDI, or any other form under which Products have been ordered by Buyer and accepted in writing by KDDI.

2. **Termination:** In the event of Buyer's material breach of or failure to timely pay any sum due under this Agreement, KDDI may terminate this Agreement if the breach or non-payment is not cured within ten (10) days after written notice from KDDI.

3. **Buyers:** KDDI may extend this Agreement for use by other Buyer Subsidiaries, Parent Companies or partners. Buyer shall not have any liability or responsibility for performance by any other purchaser electing to use this Agreement.

4. **Orders:** Buyers must place orders in writing; written orders confirmations may be sent by facsimile. An order (including any order placed under a quotation issued by KDDI) is subject to acceptance by KDDI. A Buyer may not change or cancel an order or any part of it at any time after KDDI accepts such order.

5. Prices:

5.1. Prices:

5.1.1. The Products and other items or services covered by this Agreement shall be sold and invoiced at KDDI's prices and charges as reflected on the KDDI Purchase Order Form, executed by and between KDDI and Buyer, and shall include any applicable discount noted therein. Prices do not include sales, excise, use or other taxes (other than taxes based on income) now in effect or hereafter levied by reason of this transaction. Buyer will pay all such taxes.

5.1.2. For large quantity purchases of a single or limited number of configurations, KDDI may offer special pricing to Buyer. KDDI need not extend the same offer to other Buyers unless they commit to purchase a similar quantity.

5.2. **Quotations:** Quotations issued by KDDI are valid for a period of thirty (30) calendar days from the date the quotation is issued, unless noted otherwise therein.

5.3. **Shipping and Handling Charges:** Buyer will pay charges for shipping and handling for Products that are shipped by KDDI's designated carrier.

5.4. **Packing:** All Products shall be suitably packed for the respective type of shipment method selected by Buyer.

5.5. **Taxes:** KDDI shall be responsible for its franchise taxes and taxes on KDDI's net income. Buyer shall be responsible for all sales, excise, use and/or other related taxes. If Buyer provides KDDI with a valid tax exemption certificate, KDDI will not invoice Buyer for the affected taxes.

6. **Discounts:** Buyer's discount percentages that are applicable to Products purchased by Buyers are listed in KDDI's Purchase Order Form

7. **Product Classifications:** Classification of Products is subject to change by KDDI at any time if KDDI changes classifications for its Buyers generally.

8. **Credit:** KDDI limit or cancel the credit of Buyer as to time and amount, and as a consequence, demand payment in cash before delivery of any unfilled portion of this Agreement, and demand assurance of Buyer's due performance. Upon making such demand KDDI may suspend production, shipment and/or deliveries. If, within the period stated in such demand, but in no event longer than 30 days, Buyer fails to agree and comply with such different terms of payment, and/or fails to give adequate assurance of due performance, KDDI may (1) by notice of Buyer, treat such failure or refusal as a repudiation by Buyer of the portion of the Agreement not then fully performed, whereupon KDDI may cancel all further deliveries and any amounts unpaid hereunder shall immediately become due and payable or, (2) make shipments under reservation of a security interest and demand payment against tender of documents of title. If KDDI retains a collection agency and/or attorney to collect overdue amounts, all collection costs, including attorney's fees, shall be payable by Buyer. Buyer hereby represents to KDDI that Buyer is now solvent and agrees that each acceptance of delivery of the Products sold hereunder shall constitute reaffirmation of this representation at such time.

9. **Payment Terms:** A. Payment terms are net 30 days from date of invoice. KDDI reserves the right to require alternative payment terms, including, without limitation, Sign Draft, Letter of Credit, or Payment in Advance. If shipments are delayed by Buyer, payment shall be made based on the contract price and the percent of completion. Buyer shall be liable for the price of all Products conforming to the Agreement. B. If payment is not received by the due date, a service charge will be added at the rate of 1.5% per month (18% per year) or the maximum legal rate, whichever is less, to unpaid invoices from the due date thereof. C. Remittances will be received by a bank simply as clearing agency. The receiving bank has no authority to determine whether or not the amount remitted constitutes payment in full. Remittances marked to indicate payment in full will be deposited by the bank notwithstanding such markings as such deposit shall not indicate our acceptance of the remittance as payment in full unless the remittance actually constitutes payment of all sums owed. Notwithstanding anything contained herein to the contrary, all payments and/or amounts due hereunder shall be absolute and unconditional, and shall not be subject to any abatement, reduction, setoff, defense, counterclaim, interruption, deferment or recoupment for any reason whatsoever.

10. **Product Update and Revision:** KDDI's policy is one of on-going product update and revision. Manufacturer's may revise and discontinue Products at any time, without notice. The Products shipped to a Buyer will meet or exceed the material specifications of Products ordered; however, minor differences between Products as shipped and Products as described in a specification sheet or catalog are possible. The parts and assemblies used in building the Products sold under this Agreement are selected from new and equivalent to new parts and assemblies in accordance with industry practices.

11. **Shipping:** All ship dates are KDDI estimates only. Many factors, including availability of parts and assemblies, affect KDDI's delivery scheduling and ship dates. In the absence of specific shipping instructions, KDDI will ship by the method it deems most advantageous. Transportation charges will be collected, or if prepaid, will be substantially invoiced to Buyer. When special or export packaging is required, the cost of the same, if not set forth on the invoice, will be separately invoiced.

11.1. **Delivery:** KDDI will use every reasonable effort to effect shipment on or before the date indicated. KDDI shall not be liable, directly or indirectly, for any delay or failure in performance or delivery or inability to perform or deliver where such delay, failure or inability arises or results from any cause beyond the KDDI's control, or beyond the control of KDDI's suppliers or contractors, including, but not limited to strike, boycott or other labor disputes, embargo, governmental regulation, inability or delay in obtaining materials. In no event shall KDDI, in the event of delays or otherwise, be liable to Buyer or any third parties for any consequential, special, or contingent damages. In the event of any such delay or failure of performance, KDDI shall have such additional time within which to perform its obligations hereunder as may reasonably be necessary under the circumstances, and KDDI shall also have the right, to the extent necessary in KDDI's reasonable judgment, to apportion fairly among its various Buyers in such manner as KDDI may consider equitable, the Products then available for delivery. If, as a result of any such contingency, KDDI is unable to perform this Agreement in whole or in part, then to the extent that it is unable to perform, this Agreement shall be deemed terminated without liability to either party, but shall remain in effect as to the unaffected portion of the Agreement, if any.

11.2. **Several Shipments:** KDDI may make delivery in installments, with Buyer's prior written consent, and may render a separate invoice for each installment, which invoice shall be paid when due, without regard to subsequent deliveries. Each installment shall be deemed a separate sale. If the delay in delivery of any installment materially affects Buyer, Buyer shall be relieved of any obligation to accept delivery of any remaining installments. Any delivery not in dispute shall be paid for on the due date, as provided in this Agreement, regardless of controversies relating to other deliveries.

11.3. Title, Risk or Loss, Insurance: Title to each shipment of the Products sold hereunder and risk of loss thereon shall pass to Buyer when KDDI or its agent delivers such shipment to a common carrier or licensed trucker consigned to Buyer, or his agent, but such shipment shall remain subject to KDDI's rights of stoppage in transit and of reclamation. If a strike, embargo, governmental action, or any other cause beyond KDDI's control prevents shipment or delivery to Buyer or his agent, or if payment is to be made on or before delivery, regardless of the aforementioned circumstances title and risk of loss shall not pass to Buyer until the shipment has been actually given to the designated carrier by KDDI and invoiced to Buyer (subject to KDDI's rights as an unpaid KDDI) and KDDI shall be under no duty to carry insurance thereafter.

11.4. Acceptance: (1) Buyer or Buyer's agent may inspect the Products at the place of manufacture and/or upon delivery. Buyer shall accept any tender of the Products by KDDI which conforms to the description of the Products set forth herein and/or ordered hereafter. (2) Buyer shall be deemed to have accepted any Product and Buyer's right to cancel, reject or claim any damages for breach of warranty or breach of KDDI's obligation under this Agreement shall cease, unless Buyer gives to KDDI notice in writing of KDDI's breach: (a) in the case of defects discoverable through inspection, 2 days after arrival of the shipment or (b) in the case of defects not discoverable through inspection, 30 days after invoice date. (3) In the case of non-conforming Products, Buyer shall, as early as reasonably possible, notify KDDI whether or not Buyer will continue to accept similarly non-conforming Products and acceptance of any non-conforming Products shall constitute a one-time waiver by Buyer of specification requirements for said Products. (4) In any event, when the Product has been altered from its original state by Buyer, Buyer shall be deemed to have accepted the Product. Buyer's acceptance of Products tendered in conformance to this Agreement shall be final and irrevocable, subject to the herein mentioned terms and conditions.

11.5. KDDI's Liability: If Buyer timely notifies KDDI under the terms hereof (which notice shall be given in accordance with section 18.7) of a claimed defect, it shall be assumed that Buyer in each such case concurrently in writing offers KDDI the opportunity to investigate the claim and to inspect allegedly defective Products. If KDDI determines that Buyer's claims are valid, KDDI shall within a reasonable time repair the defective Products or replace the defective Products with conforming Products at the F.O.B. point specified in this Agreement. KDDI's liability for damages on account of a claimed defect in any Product delivered by KDDI shall in no event exceed the purchase price of the Product on which the claim is based and associated costs for shipping such defective Product. Replacement of defective Products or repayment of purchase price of any such Product and other costs will be made only upon return of the defective Product. Specifically, and without limiting the generality of the foregoing, KDDI shall not be responsible or liable to Buyer or any third party for any lost profits, or incidental, consequential, indirect, special or contingent damages for any breach of warranty or other breach of KDDI's obligations under this Agreement.

11.6. KDDI's Remedies: If Buyer fails, without cause, as provided for herein, to furnish KDDI with specifications and/or instructions for, or refuses to accept the deliveries without cause, of any of the Products sold under this Agreement, or is otherwise in default under or repudiates this Agreement or any other agreement with KDDI or fails to pay when due any invoice under this Agreement, then in addition to any and all remedies allowed by law, KDDI without notice (1) may bill and declare due and payable all undelivered products under this or any other agreement between KDDI and Buyer and/or (2) may defer shipment under this or any other agreement between Buyer and KDDI until such default, breach or repudiation is removed and/or (3) may cancel any undelivered portion of this and/or any other agreement in whole or in part (Buyer remaining liable for damages.)

12. Return Material Authorization (RMA): KDDI shall refuse returned items without prior approval from the KDDI's Return Material Authorization department. KDDI shall accept returned items arriving in its original packaging. KDDI shall charge the Buyer for any missing items upon inspection of the returned items including, but not limited to, products, documentation, special packaging, cables and other accessories, as defined by the Products sold under this Agreement. Furthermore, except for defective items which are returned by Buyer, the Buyer shall receive a restocking service charge at the rate of 15% of the purchase price and will be invoiced and due immediately upon receipt by Buyer.

13. Limited Warranties:

13.1. Hardware Products:

13.2. **Software & Peripheral Product(s):**

KDDI also makes no warranty that the Products sold under this Agreement are delivered free of the rightful claim of any third party by way of patent infringement or the like, nonetheless KDDI hereby indemnifies Buyer against any and all such claims. If Buyer furnishes specification to KDDI, Buyer agrees to hold KDDI harmless against any claim which arises out of compliance with the specifications. No affirmation of fact or promise made by KDDI, shall constitute a warranty that the Products will conform to the affirmation or the promise, unless stated in writing.
